Hi all. 2016 is underway and STCGH has hit the ground running. The new Board will soon be voted on as well as committees being formed. Our Specialty is in the planning stages and looks to be coming along nicely. We would like to give a special Thank You to all those who have donated so generously to The Specialty Trophies and General Trophy Fund.

In this edition of The Skirl is the ad for the next paint party on February 21st. You won't want to miss this opportunity to paint and get to have fun with many of the members. We have several new members to the club in the last year or so and they are already volunteering and helping out. Be sure to stop them and welcome them to the club when you see them at the shows.

Our ½ page ad comes out in the Bagpiper and I have included a copy for all to see a sample of the artwork that Valeria Moldovan has created for our Specialty Theme – Life's A Garden, Dig It! Watch the Face Book page for the full color rendition of this piece. You won't want to miss it.

Lastly I have included some fun recipes for Valentines day. Try them out and if you have some favorites of your own send them to me and I will be glad to include them in the next edition. Also, I have posted results from the local shows in and around the Houston area. If I missed someone, please let me know and I will try to include them next time. We have had a very busy January showing and we want to Congratulate all those who have received a reward. We appreciate all you do for our Breed!

Do you cook for your Scottie? Finn and Maggie are passing on some of their favorite treat recipes for Valentines. What's yours?

Bonnie's Banana Cookies

2 carrots finely grated

1 banana mashed

7 oz of flour. Any kind

3 ½ oz. of rolled oats

1 ½ oz sunflower, canola or light olive oil

Water as required.

Mix banana and carrot with the flour, rolled oats and oil. If necessary add a little water.

Preheat the oven to 350. Line a baking sheet with parchment paper.

Roll out the dough between two pieces of saran wrap to about ½ inch thick and cut with a cookie cutter or any shape you like. Bake for 25 minutes. Turn off the oven and let them sit in it overnight. Store in a bag or Scottie cookie jar.

These will keep for about 3 weeks. We give this one 4 paws up.

Gus' Poultry Nibbles

This recipe makes about 30 nibbles and you can cut them however you want to.

Preheat oven to 300 degrees Fahrenheit.

Pound out 2 or 3 chicken or turkey breasts till thin (about $\frac{1}{4}$).

Cut the meat into thin strips with a sharp knife.

Line a baking sheet with parchment and place the strips of meat on it side by side. Roast in the oven for 30 or 40 minutes. Reduce the oven temperature to 210 and let the strips of meat dry out for another 2 hours in the oven. Remove the baking sheet and let the strips of meat finish drying out overnight at room temperature. Keep in the refrigerator. The strips will keep for about 4 days, longer if you are using a food dehydrator. You can also freeze them and pull out as needed.

This original Artwork by Valeria Moldovan will be raffled by the STCGH. Details forthcoming. View full color on our Facebook page
